## The Sway Katz Music

The Sway Katz offer a wide variety of music ranging from the classic sounds of Big Bands to today's swing revival, vibrant Salsa and Smooth Jazz.

The full 18 piece band includes a swinging rhythm section and feature vocalist backed by full sax, trombone and trumpet sections. Although amazingly little space is required for the full band we can provide smaller combos for intimate settings.

## About the Sway Katz

With over 75 years of combined professional experience, the Sway Katz band will provide the finest music, tailored especially for your special event.
